

June 8, 2018

Dear Parents,

We have indicated we would be offering a number of scholarships for the 2018-2019 school year. **These will be awarded in July to students who have registered by June 29th and have no remaining balance from the current school year.**

There are two types of school scholarships. (1) Grant based on need, you will have to provide a copy of your 2017 tax return and (2) Academic Scholarship for students with an average of 90% or above. Both types will be for \$500 per student. **If you would like to apply for either one or both, please fill out the forms and return them to me by June 29th. You can send them by post office mail, e-mail, fax, or bringing it directly to the office.**

Since some of this information is confidential, I want to share with you how we will treat the information. We have designed the need-based scholarship form to have identifying information only on the first page. This will be removed by me and coded. The team that will determine who receives these will do so without identification of names of the student and family. I will then inform the families whether they have received a scholarship or not. The scholarships will be applied to your tuition account in December 2018.

Some of you may prefer to input the information on your computer and e-mail it to me. To assist you, we will place the scholarship applications on the website (using MS Word - our website is www.colemancatholic.org). You can download the form and type it in yourself.

There are also three Patience Family Scholarships of \$1000 each. If you would like to apply, please call the office for an application or see our website. These are only available to returning students.

Please remember that we will only consider scholarships and grants if your child is registered for the 2018-2019 school year by June 29th.

Sincerely,

James Lyons, Principal
