“Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has.” Margaret Mead

Dear Coleman Families,

Welcome to the new 2018-2019 school year! It is with great pleasure and enthusiasm that we introduce ourselves as the co-principals of John A. Coleman Catholic High School.

Ellen G. Anderson has been the Dean of Faculty at Coleman for the past two years. She is an experienced educator with over 30 years of teaching and administrative experience in Catholic Schools in the Archdiocese of New York. Marie Anderson is also an experienced educator with over thirty years as a teacher and administrator in both public and private schools. She recently retired from the Kingston School District as the principal of Crosby Elementary School.

Together, we will use our experience and skills to assume the leadership role at Coleman. The co-principal concept is quite unique. It will be new to the entire school community and it may present a few challenges that we believe we are prepared to face with your prayerful support. Coleman Catholic High School has a rich tradition of providing a rigorous curriculum and caring environment for students to learn and grow. We are committed to maintaining the valued traditions and nurturing the spiritual mission of our school.

We are privileged and delighted to be here serving as your new co-principals and we look forward to meeting our Coleman family in the coming weeks. The school year will begin with a family barbeque on September 4th. This will be an opportunity for introductions and conversations that will help to set the positive tone for the year to come.

We ask that you keep us in your daily prayers as you will be in ours. May God's blessings remain with you and your loved ones always.

Sincerely,

Ellen Anderson
