

June 2019

“...Because Spring is a tough act to follow, God created June.” ~ A. Bernstein

Dear Parents,

We can hardly believe that the beautiful month of June is upon us. As we write this letter, we can now reflect on the reverent and beautiful Baccalaureate Mass that Monsignor Desmond O’Connor facilitated and a Graduation ceremony that made us all very proud. We are thrilled to report that senior graduates were awarded \$34,000 from local families and community organizations, and earned approximately \$4 million dollars in scholarships for college.

There were many expressions of gratitude shown by our seniors before leaving; especially to their teachers. It has been said that a “teacher does not write on inanimate material, but on the very spirits of human beings.” It has been our hope and prayer that throughout this past year meaningful and joyful words have been written on the beautiful spirits of your own sons and daughters.

Please encourage your student(s) to continue to work to their potential for the remainder of the school year. The last day of classes is June 14th and then on to finals and regents’ exams. Please refer to the exam schedule that was sent to parents on June 6th. Further information regarding scholarship and FACTS Management will appear in a separate e-mail. Thank you in advance for your timely response.

Summer was certainly designed by God with all of us in mind. Even though we are not quite there yet let us try to approach this season with eyes that appreciate the beauty of our world, ears that hear the words our children speak, hands that reach out in mercy and love toward all and a voice that speaks only gentle and reassuring words. This almost impossible reality can only be reached with God’s help and love, so add one more task to your summer duties. Pray...for it is only with a deep relationship with God that we can reach all the beauty of a perfect summer day.

As we part for the rest and relaxation that summertime brings let us pray for one another that we may be the person God created us to be, a person who shines with the love of Christ making this world a heaven on earth. And until we meet again enjoy the love of your family and be safe.
